Planting Churches

Impacting lives and communities in Ethiopia by multiplying and growing Christ followers.

May 2026

God is Moving Through A Busy Season of Ministry!

January

Small Groups Training: New small groups started all over Addis Ababa as eighteen leaders from different churches committed to starting new groups. The participants grew together in community as they learned about each other, prayed for each other and ate with each other. They walked away excited about how to empower leaders to lead small groups.

16 People Baptized in Cooyu at the end of January

February

Bale Goba Baptisms and Training:

As we clapped and sang along with the crowd we made our way down a steep hill to the river, and it was worth every step. Five people from Bale Goba had committed their lives to Christ, and Mark and our church planter Samuel had the privilege of baptizing each one of them. Pure joy!

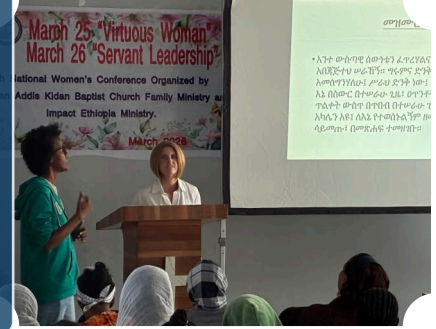

The next day, we gathered with 35 church leaders for a full day of training, and we were able to spend some personal time encouraging Samuel in his calling. We left with full hearts, inspired by the faithfulness we witnessed and the fruit of this work taking root in Ethiopia.

March

Conflict Resolution Training: Conflict resolution. Trust building. Real growth. Some of our top Ethiopian leaders gathered for a powerful, hands-on training led by Mark and Krista, then walked away stronger, closer, and better equipped to communicate with clarity and love.

Women's Conference: Women were grown, encouraged, and empowered during this year's women's conference. Nearly 100 women gathered for this two-day event, packed into a small area to hear God's word and apply it to their lives. As always, they enjoyed their time together as Krista and Mushida led the sessions. It was truly a blessed time!

April

Expat Women's Conference: Laughing, eating, singing, sharing, connecting, and digging in with each other and the Lord with this fabulous group of women was so encouraging! Krista helped lead a women's conference in Addis Ababa. They had a total of 24 women from 8 different countries praising the Lord together!

The most amazing news is that 2 ladies recommitted their lives to Christ during the Hope retreat!

VineLife Team Trip: John and Ruth from VineLife Christian Church in Brooksville, FL joined us for a power punched week of ministry. We helped do a clinic training, start a chicken and goat community development project from your donations of goats & chickens, do two different baptism programs in two different locations, did health trainings, did special cross craft programs, preached, taught and showed the Jesus Film. Yes, we were tired but God used all this to lead two more people to Christ!

BAM Projects

Business As Missions (BAM) Projects Getting Started: As you may remember, we have been starting BAM projects in some of our older church plants to help them become self-sustaining. The idea is to help fund a project that the church members can tithe their time to help keep running so that the income can then provide for the church planter's salary and the other church expenses. Two were started in December and another two were started in March. We are waiting to see what God is going to do with each of them.

These two ox will help plow the fields for this teff farming project.

Coming:
Cow Milking Project

This fabric material will be made into clothes to sell.

These sheep are getting fattened to sell for a profit.

God has opened doors across Ethiopia! Big doors need big faith and faithful partners. You can help us fill this jar with coffee beans to majorly expand IEM's ministry in Ethiopia!

You Can Help Us Fill The Jar With Coffee Beans!

1st: Become a monthly/quarterly or yearly financial partner.

2nd: Share the ministry with others. We would love to connect with your friends, family or small group to share what we are doing.

3rd: Become a regular prayer partner that prays daily for God to provide for Impact Ethiopia Ministries.

Prayer Points

1. **Spiritual Warfare** — Pray against the increased spiritual opposition we are facing. Ask God to cover our family, our leaders, and our churches with His protection and authority.
2. **Furlough Connections (Sept–Dec)** — Pray that God opens doors and brings new contacts — individuals, Christian business owners, and churches — for us to connect with and share what He is doing in Ethiopia.
3. **IEM Expansion Funding** — Pray for God's miraculous provision. We still need the equivalent of 64 partners at \$100/month to fully fund our God-sized expansion. Ask Him to stir hearts!
4. **Health & Protection** — Please lift up Mark, Krista, Caleb, Brooke, Jordan, Tyler, and Caelynn (Tyler's fiancée) — for strength, health, and God's hand of protection/provision over each of them.
5. **Jordan's Missionary Launch** — Jordan launches as a missionary to the Philippines this July! Pray for 18 more partners at \$50/month so he can go fully funded and focused on the mission God has called him to.
6. **Provision of Fuel** - Ethiopia has a major fuel shortage and we've had to cancel some ministry due to not having fuel. We currently are walking or taking a taxi.
