Planting Churches

*Impacting lives and communities in Ethiopia
by multiplying and growing Christ followers.*

“Transformation in Motion”

Grace and peace to you, dear friends and partners!

As we reflect on all that God is doing through Impact Ethiopia Ministries (IEM), our hearts overflow with gratitude.

Your prayers, encouragement, and financial partnership make it possible for lives to be changed, physically and spiritually, across Ethiopia.

Community Transformation: Hope After the Mudslide

Over a year ago, a devastating mudslide destroyed an entire village, displacing dozens of families. Thanks to your support, we were able to respond quickly bringing food and essential supplies to those in desperate need.

That act of compassion opened an unexpected door with local government leaders, allowing us to **plant a new church in the community**. We sent **Israel** (pictured above) to serve among these families, share the Gospel, and walk alongside them as they rebuilt their lives.

Today, this once-devastated community is being **reborn with hope**:

- Families have built new homes.
- The nearby lake has become a vital food source through fishing.
- A growing church now gathers each week: **11 new believers and 30–40 rededicated believers** worshipping together!

But there is still so much to be done for this community to thrive and become self-sustaining. The church is working closely with local officials not only to secure land for a permanent gathering place but also advance medical education and access to quality care.

Your partnership can help meet both physical and spiritual needs through our **Christmas Wish List** below.

Arba Minch Training Empowers 30 Church Leaders

This October, **30 leaders from southern Ethiopia** gathered for a three-day training focused on **church leadership and finances**. It was a powerful time of equipping and encouragement!

These leaders left empowered with new tools to shepherd their congregations well. Afterward, our team joined a local church plant where Mark shared from **Mark 10**, reminding everyone that “with God, all things are possible.”

We continue to see how God is multiplying your impact—**training leaders who are now training others** throughout Ethiopia.

Brewing the Next Chapter

We believe God is calling us to expand our ministry capacity to reach even more communities in the coming years. To make this happen, we are seeking **61 new monthly partners at \$100/month** (or any amount God leads you to give).

This **Ministry Expansion Project** will allow us to:

- Grow our national **Impact Ethiopia team**
- Train more church planters to reach unreached regions
- Launch additional **Business-as-Mission** initiatives
- Support **community development and medical outreach** in areas of greatest need

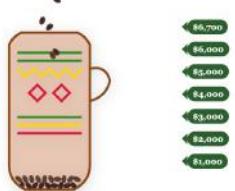

We've already seen the first fruits of this vision and we're **10.1% funded** toward our goal! Your partnership is the beans that fills the pot — helping God's love and provision fill up Ethiopia.

Every bean counts!

Just like coffee beans filling a clay pot, every gift adds up. Whether you pour in \$25, \$50, or \$100 monthly, you're brewing transformation that's changing lives across Ethiopia—one bean at a time.

MISSIONARY SPOTLIGHT

Jordan Haley
Sports Ministry
Serving Davao City, Philippines

Impact Philippines Ministries

A Message From Jordan:

God has given me an incredible opportunity to share the gospel with the lost in Davao City, Philippines. I'll be serving as athletic director and Bible teacher at Faith International Academy, supporting missionaries already doing church planting and scripture translation. I will also be using sports ministry, coaching, and community outreach to build relationships and share Christ in Davao City and the surrounding areas.

To make this mission possible, I need your help. I'm seeking three types of support:

- Prayer partners to stand against spiritual opposition
- Monthly financial support and one-time gifts for long-term sustainability and setup costs
- Your connections to mission-hearted individuals and churches interested in supporting this work

If you love God with all your heart, I believe He can use you in powerful ways to further the Kingdom by supporting me as I go to the nations to share the gospel. I would love to meet and talk with you more about missions.

Prayer Points

1. Peace in the country and safe travel as we go to different areas.
2. Pray for the ministry expansion program—specifically that God would lead people to partner financially and in prayer with IEM. We need God to provide the equivalent of 61 more partners @ \$100/month.
3. Pray for our son, Jordan, as he launches as a missionary to the Philippines this July.
4. Pray for Caleb and Brooke as they start off their married life together this December.
5. Pray for Tyler as he continues at university and for God to guide and provide for his future.
6. Pray for our foster daughter Redate, who will graduate from high school this year and would like to go to university to become a nurse.
7. Pray for wisdom and guidance as we continue to serve the Lord here in Ethiopia.
8. Pray for many more to come to know Christ as their Savior.

Dear friends, family, and partners,

Together, we're seeing lives transformed!

Thank you for standing with us: in prayer, in giving, in encouragement, and in faith. God is using your partnership to bring hope, healing, and the message of Christ to Ethiopia, as well as sustaining and encouraging us. We are truly grateful for each of you and every message of encouragement, prayer, and gift that you have sent our way. Thank you for walking on this journey with us. We couldn't do it without you! We are planning to be back on furlough in the US, Sept – Dec of 2026, to connect and share. If you would like to schedule with us or have a connection that may also be interested in partnering in this work, please let us know.

"The Lord has done great things for us, and we are filled with joy." – Psalm 126:3

In Christ,
